Career Objective

Enthusiastic software developer skilled in the MERN stack, with a talent for problem-solving and creating user-focused applications. Eager to apply my expertise to build high-quality, innovative solutions that enhance user experience and drive results.

Education

Chaitanya Bharathi Institute of Technology

Bachelor of Engineering in Information Technology

Nov. 2022 – Jun. 2025

GPA: 8.0/10.0

VMR Polytechnic College

Diploma in Computer Science Engineering

2019 – 2022

Percentage: 9.4/10.0

Jawahar Navodaya Vidyalaya - Siddipet

Central Board of Secondary Education (CBSE)

2018 – 2019

Percentage: 85.0

Projects

Food-Del

July 2024

- Developed a fully responsive website using the MERN stack for a seamless user experience across devices.
- Implemented a user-friendly interface with advanced search filters for easy navigation and selection of food items.

AgVenture

October 2022 – April 2023

- Developed AgVenture, an online platform for crop product trading, facilitating transactions between farmers and customers.
- Built using technologies: Django.

Laptop Price Prediction

- Built an optimal platform to check the daily prices of laptops on various online websites.
- Tools & technologies used: ML stack (Python, MongoDB, HTML, CSS).

Technical Skills

Languages: Python, Java

Development and Frameworks: Bootstrap, HTML, CSS, JavaScript, React, Express.js, Node.js

Databases: MongoDB, MySQL

Systems: Experience with Linux and Windows

Productive Skills: Data Structures and Algorithms, Object-Oriented Programming, Machine Learning, Database Management System, SQL

Cloud Technologies: AWS Cloud

Courses & Certifications

Courses:

Data Structures and Algorithms

MERN Stack

Python

Machine Learning

LeetCode: Solved around **200+** problems

Certifications:

Codegnan Internship: Machine Learning (Intern)

Infosys Springboard: Artificial Intelligence Foundation Certification

Infosys Springboard: Machine Learning Foundation Certification

EDSPREAD: MERN Stack Development Certification

Freelancer Experience

Valam, August 2024 – September 2024 (frontend-developer)

- developed Frontend for online platform for Cab services, Built a responsive user interface using react.js

Extra-Curricular

- Mentored undergraduates in Data Structures and Algorithm development, aiding them in improving coding proficiency and problem-solving skills.
